Greetings,

By the time you finish reading this you will have a clear-cut plan of action to drastically change your financial situation. If you are serious about making a difference in your life and the life of those you love by spending more time with your family, buying the house you want, getting out of debt, buying that new car, or whatever it is for you, then read carefully and I'll give you the necessary information pertaining to the great opportunity that awaits you as a member of **The People's Empowerment Group, TPEG** for short.

To get started, let me explain our exciting products and its benefits to you.

We are looking for individuals to be Independent Retail Sub-Distributors of our products, mainly – **WHOLESALE VACATION CERTIFICATES**, and others. As a Sub-Distributor, you will offer fabulous vacations to your customers at extremely low prices, while at the same time; you can reap the benefits of a rewarding income.

(Do you know of anyone who wouldn't love to take a vacation and just pay the room tax? I don't either. So therefore, you already have a huge customer base.)

Now, here's how it works:

By joining our team, you establish a business center and lay its foundation by purchasing our Product One-Start-Up Kit for just \$35.00. The Kit, which has a retail value of \$125.00, more than triples your initial investment, and contains the necessary information to get your business started. The Kit includes 5 professional looking 3-Day Getaway Certificates that entitles the customer to three days and two nights hotel accommodations of their choice in one of over 90 cities, for just \$25.00. By marketing these, and other certificates, you can make thousands of dollars right from the comfort of your home. Let me add that you keep 100% of the retail sales. More importantly, as a Sub-Distributor, you will have established a home-based business, thus positioning yourself to receive awesome tax advantages. Additionally, as a member of our team, you will have access to information on a variety of new Products and Services, that are constantly being introduced, that will empower you to attain new heights of financial success.

As a **TPEGsm Independent Retail Sub-Distributor**, you are entitled to market our vacation certificates and make as much money as you like, and as often as you like. not required or obligated to explore any additional income streams offered by the company. The choice is simply up to you.

If you *really* want to see your business center explode into higher profit levels fast, then the **TPEGsm OPPORTUNITY** is available to you. By using our powerful marketing plan coupled with our unique **TPEGsm Pay Plan Structure** using our **TPEGsm Product Portfolio**, your business center will expand into additional income streams that could literally make your income soar.

By electing to be a part of the **TPEGsm Opportunity**, you will become an **Associate**; and, with a little effort and commitment, we can show you how to become a Director and start generating maximum profits for your business center. As you may suspect, your business is only profitable to the extent at which you work it. We make the work simple. All we ask, is that you complete a **TPEGsm Unit** by making only 3 new product sales to individuals who also elect to enter the **TPEG Opportunity**, or become **Associates** themselves. **THAT'S IT! JUST MAKE 3 ASSOCIATE PRODUCT SALES** and you will have earned the **Director's** title. Becoming a Director will qualify your business center to get paid corporate commissions ranging from \$10 to \$450 for each product sale made by your business center; and this is in addition to the retail sales from your vacation certificates. This is easy to accomplish because we provide you with the proper tools: Our toll-free info line (**888-838-5857**). Our website (www.tpegcentral.com), and our weekly conference call. **TPEGsm Corporate** and other designated leaders are additional resources available to assist you.

Through our powerful Australian two-up marketing plan, which is only available through the **TPEGsm Opportunity**, we can show you how to quickly increase the profitability of your business center to achieve higher growth potentials. The strategy is simple: 1) Become a Director, and, 2) Train your new team members to become Directors. **That's it, You're Done.** The Australian two-up process will do the rest. For example, if you become a Director by completing your **TPEGsm Unit** in a month and each new team member becomes a Director the next month, and this continues each month for a period of 12 months, you would transform your initial investment of \$35.00 that was used to purchase your Product One (Start-Up Kit) into \$40,000+ in a year. And guess what, the strategy is designed for you to reach this goal without using any more out-of-pocket funds, other than your initial investment into the business.

LET ME ADD AT THIS POINT, THAT THIS IS NOT TRADITIONAL MULTI-LEVEL MARKETING BUT IT IS NETWORK MARKETING, at its BEST.
